Tea at Mrs. Allen's.

The ladies of the Christian church served tea at the home of Mrs. R. W. Allen Thursday afternoon for the purpose of raising funds for the new parlour. It was a very successful affair, everyone enjoying the occasion. About \$15 was realized.

New Ideas in Hats.

Nothing is so attractive as a new idea. And a new idea in a hat is, perhaps, more alluring to a lady of good taste than a mere mode. There are new ideas in every design shown by us. Attend the opening Wednesday, March 15th. Miss Birdie Roberts at the Grand Leader. 288-17

C. A. Loomis, who was here in the interest of the Sutherland bond people of Kansas City, returned home last night. Mr. Loomis is recognized as one of the ablest bond attorneys in the country and he has done some good work for the state of Oklahoma. As a result of his systematizing the Oklahoma bond business, these securities command a much better price on the market than they did three years ago.

Mr. and Mrs. J. L. Branch desire to thank their friends for the shower, which was given them Tuesday in honor of their twins.

REV. E. M. SWEET WILL ADVERTISE

On several occasions Rev. Leroy Anderson, pastor of the Christian Church, a former newspaper man, and therefore in a position to know the value of newspaper advertising, has used space in the News to convey messages to the public, and now it seems that Ada has another preacher who realizes the value of this kind of publicity. We refer to Rev. E. M. Sweet, pastor of the First Methodist Church, who has contracted for space in the News where he will devote to the church cause. He used this method of reaching the public at Lawton with gratifying success and will doubtless reap the same good results here. His column will be full of interest and any man can pick up many grains of truth and wisdom by reading what he has to say.

S. J. Smith, postmaster at Oakman, was a caller at the News Office this morning. He says that Oakman has as fine a school as there is in the county and is something the people are proud of. He also stated that corn planting is now under way in that community and every-

body busy. Mr. Smith was one of the boys who donned the blue in 1861 and followed the stars and stripes four years, and like all others on both sides who faced each other on the firing line, has the deepest regard for his adversaries. He says he has a great contempt for the two-bit politician who does not know the war is over.

The original New York production "St. Elmo" will be presented here on Tuesday, March 14. The company includes Lillian Lyster and Orrin T. Burk, and is the same that played St. Louis and Kansas City within the past month. All the necessary scenic and electrical effects will positively be used in this city.

Attend our millinery opening Wednesday, March 15th, whether or not you wish to buy. We are here to show you the late styles in millinery. Miss Birdie Roberts at the Grand Leader. 288-17

IN AND AROUND THE COURT HOUSE

The jury that heard the suit of Leeper vs. Donaghey failed to agree and was finally discharged by Judge Hardy.

Yesterday and today the court has been occupied with the suit of R. A. Jackson against W. C. Rollow. The suit grows out of the final settlement of their business at Stonewall which was bought in by Mr. Rollow. Mr. Jackson is suing for the sum of \$2,000 which he claims is still due him in the settlement.

The other jurymen were excused this morning until Monday noon but it is probable that there will be no more jury trials at this term of court. Judge Hardy is an able judge and has won the respect of both bar and litigants during his service this week.

This morning Q. and John Kerr of Steedman, who had been brought in by Deputy Cal Bolen on suspicion of having forged a check on W. A. Barrett, were given a hearing and readily proved their innocence and were released.

Yesterday a negro at the Harris hotel swore out a warrant against another negro who goes by the name of Snake. He claimed that he had loaned some clothes to the aforesaid Snake who had then taken his departure for Holdenville. Deputy Bob Duncan went up to Holdenville and brought him back. The other negro refused to prosecute the case and will now have to pay the costs of the chase and capture of Snake.

MANDAMUS SUIT WILL BE HEARD THURSDAY

Last evening, Judge Hardy called the mandamus suit of the Greer Investment Co. against the city and both parties appeared. However, the plaintiff had amended its petition considerably and the defendant asked that it be given time to meet this, as it had had no notice of it. Accordingly it was agreed that the city should have until Tuesday to plead and the case set for trial Thursday.

Patrons' Club Service Tea.

Thursday afternoon the Patrons' Club of North Ada served tea at the home of Mrs. J. T. Reed. It was well attended and a neat sum realized for the library fund. It is gratifying to note the interest the citizens of Ada are manifesting in this library movement. The North Side patrons have been especially active in this movement and deserve commendation accordingly.

NO CHANGE IN STREET CAR STRIKE

Oklahoma City, Ok., March 10.—Following the action of Gov. Lee Cruce early this morning in rescinding the order to assemble three companies of state militia in Oklahoma City, there has been but little change in the situation resulting from the street car strike, which has now been in effect five days. The feature of today's event, perhaps, was the refusal of Gov. Cruce to address a mass meeting of 5,000 persons who gathered in front of the Lee Hinkins hotel this afternoon demanding that he address them.

The mass meeting was called by the Central Trades Assembly, which ordered a half holiday. The crowd assembled at 1 o'clock. While the assemblage awaited the coming of Gov. Cruce labor leaders addressed them.

Finally the governor sent a message by an attorney for the striking carmen, in which he stated he did not believe "this a time for speechmaking." The message was read by the attorney.

There was no demonstration and the crowd soon dispersed quietly. The governor in his message assured the strikers and their sympathizers that he would not call out the troops unless it became necessary to protect life and property, and admonished them to preserve law and order.

Prior to the speaking this afternoon a monster parade of union men moved through the streets in the downtown district. There was no disorder, however, and no display of banners.

Sheriff Jack Spain announced tonight, after conference with street railway officials and Gov. Lee Cruce, that he will swear in prominent citizens of Oklahoma City as deputies tomorrow and attempt to man street cars with them. It is not known when an attempt will be made to start the cars, but the sheriff declared it would not be made until after another conference to be held at 10 o'clock Saturday morning.

JUDGE CUNNINGHAM DIES AT GUTHRIE

Judge Cunningham—18.
Guthrie, Okla., March 10.—Judge Edgar S. Cunningham, past inspector general of the Scottish Rite Masonry of Oklahoma and inspector general of the Scottish Rite Masonry of Arizona and New Mexico, died at Guthrie, Okla., Friday.
He was attorney general of Oklahoma territory under Governor Cassius M. Barnes; was first president of the state bar association and organized the state library. He was several times member of the territorial and state legislature, and one of the highest Masons in the United States.
The Scottish Rite Masonry of Oklahoma was organized by him and he was the first inspector general.
One year ago he resigned as state senator and inspector general and became the Scottish Rite Inspector general of New Mexico and Arizona. He at once became a prominent state builder and was selected one of the members of the constitutional convention. Several weeks ago his health broke and he went to the coast hoping for improvement.
The remains will be brought to Guthrie for burial.

MUSICAL COMEDY COMPANY COMING

There is at least one show that comes to Ada this season that guarantees itself a mad advance. W. H. Fink's business manager for the Morton-Keenan show a musical comedy company presenting a new line of farcical comedies with songs and sketches has made arrangements with Mr. W. H. Parks, manager of the City Hall Opera House whereby he, Mr. Parks, personally agrees to refund your money after the first act if you are not satisfied. The company will be here two nights starting Friday, March 17, and there will be two hours of music and fun in store for you and in addition to all this there will be an olio between the acts consisting of forty-five minutes of high-class vaudeville. The first night will be two farces "Casey's Reception" and the feature bill "Vacation Time." Both were

NO CHANGE IN WATER SITUATION

The water situation is unchanged. The city well yields about 25,000 gallons per day. This is being pumped into the stand-pipe and as soon as it is full it will be cut off from the mains and held for fire purposes. After that what water is pumped from the wells will go direct through the mains and for a short time each day the consumers may have some relief.

W. A. Barrett is in from Steedman today as a witness in an investigation that is being made in the endeavor to locate some fellow who recently forged a check on him. The check was paid by a Stone-wall bank, but was turned down when it reached Ada.

Charley Ray is wearing a broad smile. He says that his tree planting business has been fine. Everybody wants shade trees and Charley is the boy who makes his word good.

STATEMENT OF M. & P. BANK

Special attention is called to the statement of the M. & P. State bank appearing in this issue. No matter what happens this, the youngest bank of Ada, always holds its own although it holds none of the city or county funds, its deposits amount to \$100,000, a showing that speaks well for the growing popularity of the M. & P.

The Ladies' Specialty Store held its spring opening today, and good crowds were in evidence all day looking over the fine display of millinery and other goods on exhibition. The display of spring hats was simply stunning and looked like it might be almost inexhaustible.

DRUGS

CARE—that's one thing that goes in every prescription that goes out of our store. We follow the doctor's orders—follow them with fresh, pure full-strength drugs. As a result, prescriptions compounded by us often secure results where others fail. Back of this policy is the knowledge that too much depends on the medicine your physician prescribes to permit of substitution for the sake of a few cents more profit.

MANY THANKS, BRO. LUSK.

Byron Norrell, editor of the Ada (Okla.)
Daily and Weekly News, spent Saturday
and Sunday night here greeting old
friends. Norrell is making good at Ada
and is getting out one of the best af-
ternoon papers of which we have any knowl-
edge. It's a better daily paper than the
papers in towns twice the size of Ada. His
papers are neatly printed and full of spicy
local and timely editorials. Ada is a live
town and Norrell helps more than any-
body else in that town to make and keep
it so. Norrell got his newspaper inspira-
tion to a great extent in the News-Herald
office and his success is no exception to
the rule of those who have been connect-
ed with the News-Herald. All of them
have made good and of course we are
very proud of this fact.—Italy (Tex.)
News-Herald.

As a result of the recent canvass for
new subscribers, the Evening News has a
list of which it is justly proud. There is
scarcely a house in Ada where it does
not go, and besides that it now has a
good circulation at each of the other
towns of Pontotoc county. It is a fine
advertising medium and the increasing use
of its columns by the business public
shows how this fact is appreciated.

This is the first day of the open sea-
son for city candidates. The man who
fails to get his name on the ticket by
ten o'clock this evening is barred out of
the arena for this season. Therefore, if
you have any aspiration to serve your
fellow citizens in the capacity of an of-
ficer it is time to get busy.

The third effort proved the charm in the
case of the adoption of commission gov-
ernment by Oklahoma City. On two pre-
vious occasions, when the ballot boxes
were in the hands of a gang that caught
red handed in the last general
election, the proposition apparently lost,
but this time it carried by a vote of 4,
098 to 1,848 or almost three to one. Ok-
lahoma City has made marvelous progress
during the past few years, and with this
new impetus of a business administration
will advance as never before. We congrat-
ulate our big neighbors and look forward
in fond anticipation to the time when a dia-
line will join the ranks of the commission cit-
ies, for they are the ones that are destin-
ed to become the real centers of the state.

The demands of our advertisers for
space is so heavy today that we have
found it necessary to use small type for
most of the matter in this issue.

Do not borrow your neighbor's pa-
per. The News is delivered for 10
cents per week and every citizen of
Ada should be a subscriber; but if
you are absolutely compelled to bor-
row one, kindly wait until the sub-
scriber has read it. 286-dif

IF YOU HAD A FRIEND WORTH \$3,000,000 AND YOU HAD TO HAVE ONLY \$1,250 OR GO BANKRUPT

What would you do? If you knew of another man getting \$143,000 from your Rich Friend, just for the asking, what would you do? If you had good reason to believe that your Rich Friend would let you have the \$1,250 and say to you, "If you need more, call on me,"—now, would you tell him your condition and ask him for the loan, or would you swell up and say, "I'll bust before I'll speak to him about it!"

In the series of Sunday evening talks on "REMARKABLE CONVERSIONS," by Rev. E. M. Sweet, Jr., pastor of the First Methodist church, next Sunday evening, at 7:30 o'clock, the preacher will tell the story of the conversion of Jerry McAuley, in the down-town district of New York, and of his wonderfully useful life in lifting up others like himself.

Maybe there is not a man in Ada as bad as Jerry McAuley was, Maybe

there is one who is worse. If so, the same Savior that saved Jerry McAuley can save him. And the same Savior can save every sinner who may not have sinned so much. The Millionaire who will loan \$143,000 to a man in need, will certainly loan \$1,250 to another man whom He believes in just as much.

MAN OF THE WORLD, why don't you go to church? Every church in Ada will welcome you on the Holy Sabbath Day. God gave you that Day to learn the way of Life. The House of Worship is the best place to rest. Get your mind out of the ruts and go where you will be made to think in a new channel—that is the best rest for a weary mind or body. And the good singing will cheer you.

Go to the Church of your choice. If you have no other preference, you are cordially invited to the First Methodist church. Services also at 11 A. M.

According to plans already made, Col. Roosevelt will remain at the fat stock show until afternoon Tuesday and then go direct to El Paso on a special train.

Otis Weaver, who has been quite ill for the past few days, was able to come to the office this afternoon, but is still very weak and not entirely well.

Q. D. Gibbs, at one time editor of the Mill Creek Times and later of the Tishomingo Democrat, was a caller at the News office this afternoon. Since leaving Tishomingo Mr. Gibbs has been connected with the school land department.

Miss Myra Wilkinson, a talented musician of Oklahoma City, is in town the guest of Judge and Mrs. H. J. Brown.

Women worry, can't do daily work. Men have lame and aching backs. The cure for man, woman or child. Doan's Kidney Pills reach the cause. The following testimony proves it.

Mrs. C. B. Barksdale, of Holdenville, Okla., says: "A little over a year ago a member of my family had occasion to use a kidney remedy. At that time the person afflicted was suffering a great deal from sharp pains through the small of the back. There were other symptoms of kidney trouble and when a friend advised a trial of Doan's Kidney Pills, a supply was procured. Relief followed in a few days and continued use removed every symptom of kidney trouble. There has been no return attack."

**PONTOTOC AND SEMINOLE
IN ONE DISTRICT**

If the judicial district bill becomes a law, Pontotoc and Seminole counties will form a judicial district, the other three counties of the present district being included in a new one. It appears that the prospect for creating new congressional districts is very slim.

Lying About the Chief.

The tough element of the town that is trying to encompass the defeat of Chief Hounshell has been busy of late circulating every conceivable lie about him. It is the purpose of the News to take some of these in Monday's paper and show to what extremities that bunch has been driven in its endeavor to discredit Mr. Hounshell in the eyes of the good citizens of Ada.

W. C. Lee authorizes the News to announce him as a candidate for member of the school board from the Fourth Ward. Further mention of his candidacy will be made Monday.
